## 2. PROFILE

I am deeply passionate about using technology as a tool for evangelism and spiritual transformation (Digital Evangelism). My background (Profession) in Theology and Spiritual Nurturing has grounded me in faith-based leadership and mission work, while my Mass Communication Profession and ICT experiences have equipped me with practical skills in digital media, online learning, and information systems. I believe that in this digital age, effective ministry requires both a compassionate heart and technological innovation to Completely Form what we call a DIGITAL EVANGELISM.
